13th March 2020

Dear Parents and Carers,

I would like to reassure you that we remain in regular contact with West Sussex County Council and Public Health England to ensure we have the most up-to-date advice and information as found by following the link below.

<https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19/guidance-to-educational-settings-about-covid-19>

Yesterday, the advice from the Department for Education was updated. The latest advice advises that pupils and staff are to;

Stay at home if you have coronavirus symptoms

Stay at home for 7 days if you have either:

- a high temperature
- a new, continuous cough

Do not go to a GP surgery, pharmacy or hospital.

You do not need to contact 111 to tell them you're staying at home.

As we receive updates we will of course keep you informed.

Please refer to our website for previous letters with guidance from Public Health England / West Sussex County Council.

Yours sincerely

Lisa Harris
