17<sup>th</sup> March 2020

Dear Parents and Carers,

At present, school will continue to be open unless otherwise advised by the government or Public Health England. However we are placing further restrictions on activities and visitors to the school.

Please ensure that you are familiar with the [NHS advice](#) that families should now isolate themselves - as a family - for 14 days if anyone in the household displays either of the key symptoms:

- new continuous cough, and/or
- high temperature (hot to touch on chest or back)

Similarly, vulnerable groups are advised to minimise all contact, and so we would expect any pupils with high risk conditions to be absent from school.

It is vital that we know the whereabouts of all children in the coming days. If, for any reason your child is not going to be in school, please advise the school office before 9am. This can be done via email ([office@boshamprimary.co.uk](mailto:office@boshamprimary.co.uk)).

In school, we will minimise contact wherever possible, for example by;

- cancelling sporting fixtures - the Dance House festival, which was due to be held in school tomorrow, is cancelled
- Swimming for Years 3 and 4 on Thursday has been cancelled
- any external visitors to the school have been asked not to come into school. Therefore, all clubs, with the exception of Stay and Play - breakfast and after school club - have been cancelled as of immediate effect.
- We will also not hold whole school gatherings such as assemblies. Decisions about lunchtimes each day will need to be made based on the numbers of pupils and staff in school.
- Requesting that parents **DO NOT** come into the school office unless urgent. Contact should be made via email or through the postboxes in the playground.

*In the event of staff shortages or any other reason for emergency closure, we will post updates on the website, Twitter and send information via ParentMail at the earliest opportunity.*

*Families should now have received a letter outlining the online materials that pupils can access home learning on. We will be adding links to websites on Seesaw and in the shared files in J2e. Hopefully in the next few days we will be able to send home some packs of work for those children who cannot access the internet.*

*Yours sincerely*

*Lisa Harris*
