10th September, 2021.

Dear parents / carers,

It has been lovely to welcome all our children back to school. We have been blessed with kind weather and have enjoyed the opportunity to meet our friends on the field at play and lunch time.

This week we have welcomed our new reception children in to school for one afternoon and look forward to them joining us full time next week.

Our Year 6 children have completed their Bikeability training and are now looking forward to their residential at Hindleap Warren. We hope the weather stays kind for them but know they will have a lovely time regardless.

Today we have had the first Celebration assembly and presented certificates to one child in each class. The class, teachers and children, have worked together to decide the reasons for the special award. This makes each certificate individual and personal to each recipient.

I would like to thank you for your co-operation with drop off and pick up arrangements this week. I did say that the arrangements would be reviewed in two weeks time but I feel confident that with your continued support we can move to a less staggered approach.

From Monday 13th September:

Drop off all children:

The gates at Walton lane will open at 8:40am and close at 8:55 when registration will close. Any child arriving after 8:55 will need to enter school via the office entrance and will be recorded as late.

Pick up:

Reception: 15.05pm

Key Stage 1 (Years 1 and 2): 15:10pm

Key Stage 2 (Years 3, 4, 5 and 6): 15:15pm

Headteacher: Mrs Jacquelyn Wattam BEd (Hons), MA Ed, NPQH

We are keeping the staggered finish time to reduce the number of adults and children on the playground at any one time.

We will still maintain the one-way system: Please enter the school via the Walton Lane gate and leave via the field gate.

If the number of Covid cases increase we will review our risk management assessment and return to staggered start times and pick up times if necessary.

COVID 19

In line with government regulations, please do not come onto school property if you have tested positive or have symptoms of Coronavirus. This includes testing positive but being asymptomatic.

Bikes

The bike gate will not be open at the beginning of the day. Children should bring their bike/ scooter into school via the Walton Lane entrance and walk it round to the bike store. The bike gate will be open at the end of the day for anyone with a bike or scooter to leave.

Vacancies

We have two school vacancies at the moment. One for a bursar and one for a clerk to the governing body. Further details are on the school website if you are interested.

We also have a vacancy for a parent governor again, all details are on the website.

I wish you a restful weekend,

A handwritten signature in black ink, which appears to read 'J Wattam' with a small flourish underneath.
