Friday 20th May, 2022

Dear Parents and Carers,

We are looking forward to welcoming our Year 3 parents and carers into school this afternoon. The children have completed their learning experience and are keen to share their learning journey with you.

They have made some amazing miniature gardens.

Best Bosham Jubilee Bake Off.

The Young Governors have asked me to remind you about their Jubilee cake competition:

The competition, which will be judged by the Young Governors, will have five categories:

Best adult made cake

Best child made cake KS1

Best Child made cake KS2

Best adult named cake

Best child named cake

A suitably named jubilee cake or mini cakes should be brought into the **school hall** by 9:15am on **Thursday 26th May**. The cake should be entered into the competition with its **recipe** and the **name of the baker**. Entry into the competition will be **£1.00**.

The Young Governors will be selling the cakes after school on Thursday 26th May.

Quad Kids Athletics

On Tuesday 17th May 2022 a group of 10 children from Bosham Primary went and competed in Quad Kids Athletics. This event took place in Regis School in Bognor there were 8 schools that competed. This event had four different activities: vortex, 50m sprint, standing long jump and the 400m metre race. Overall of these four events the favourite was the 400m race. They learnt skills like how to hold a vortex properly and to conquer their nerves as well as how to run properly on a race track. These children showed perseverance, passion and teamwork.

Written by Sophie and Jack with the support of Grace and Liam

TRI GOLF

On Wednesday 18th May nine golfers from year three and four went on a free golfing experience which took place at Chichester Golf Club. They had eight different activities throughout the competition. Overall they came 7th out of 12 teams and showed great teamwork, honesty and safety skills.

They also had to compete in challenges including: chipping, putting and crazy golf. Their favourite moment was exploring all of the animals -especially the gorilla in the cage.

Written by Iliana and Oscar with the support of Kaleb, Bethany

We would like to thank the parents who helped with the transport at the last minute due to Mr Richmond having Covid. We really appreciate your support.

Sports Equipment

We were very excited to receive our new netball posts this week. They have been on order for such a long time and the netball club has waited so patiently; learning other skills in the meantime. However the primary school netball bibs that we ordered were as long as dresses so we would like to say a very big **thank you** to Mrs Hay, Millie's grandma who very kindly bought the school some new netball bibs. The children were delighted and they have already been put to good use.

Keeping in contact

Children's end of year reports will go out on Friday 8th July but I just wanted to remind all parents and carers that if you have any concerns about your child or just want to catch up on what they have been learning and their progress please do not hesitate to contact us either by phone or email or by dropping in at 8:40am or 3:15pm.

Finances

We all seem to be faced with an increase in the cost of living currently and we are all experiencing a squeeze to our finances. In school, we have noticed a huge rise in the cost of stationary (particularly paper) and transport. We are exploring different ways of providing transport for trips and sports events as we endeavor to keep cost to parents to a minimum.

Please do not hesitate to contact us if you are experiencing financial difficulties; we will do everything we can to support you.

Reminders from previous letters.

Jubilee Celebrations

We will be celebrating The Queens Platinum Jubilee on Friday 27th May with a "street" party on the playground. Each year group has been allocated a decade and the children may choose to dress in either: red, white and blue or

Reception	2010s
Year 1	2000s
Year 2	1990s
Year 3	1980s
Year 4	1970s
Year 5	1960s
Year 6	1950s

in something that reflects their class decade on this day. Each class will be learning a song from their decade to share with the rest of the school.

During the Friday, the children will be decorating a paper plate to take to the party. We are planning for the whole school to each lunch on the playground at the same time. We have requested that Chartwells provide a packed lunch for all our children receiving Universal Free School Meals (Reception, Year 1 and Year 2) and for those children in KS2 who receive free school meals. If you have booked a Chartwells hot meal for Friday 27th May, please would you cancel it and provide a packed lunch?

Half Term Activities

The forest school holiday sessions will be running again over the May half term. Usually, these are funded sessions for any child receiving free school meals. However, the May half term sessions are open for all children to attend. Please find below the brief details and links for each session which will give you some more information and for parents to book places. Also included is a link to the FaceBook page which has the most up to date information about the sessions and programmes that are running and also a link to the website page.
