Friday 27<sup>th</sup> May, 2022

Dear parents and carers,

We have had a very busy day with all our preparations for the Jubilee Street Party; we hope you are able to join us at the end of the day.

## Quad Kids Athletics

On the 26<sup>th</sup> May 2022, 10 children from year 5 and 6 (5 from each class) competed in 4 different events including: 600m run, 75m sprint, standing long jump and the howler throw. We were really well behaved and we put great effort into every event. Bosham were competing against a variety of different schools from around the county. At the end we were all tired but happy with what we achieved.

The Young Governors wish to thank everyone who entered and are pleased to tell you that they have raised a total of £155.70 for the school fund.

## Reminders from previous letters.

### Keeping in contact

Children's end of year reports will go out on Friday 8<sup>th</sup> July but I just wanted to remind all parents and carers that if you have any concerns about your child or just what to catch up on what they have been learning and their progress please do not hesitate to contact us either by phone or email or by dropping in at 8:40am or 3:15pm.

### Finances

We all seem to be faced with an increase in the cost of living currently and we are all experiencing a squeeze to our finances. In school, we have notice a huge rise in the cost of stationary (particularly paper) and transport. We are exploring different ways of providing transport for trips and sports events as we endeavor to keep cost to parents to a minimum.

Please do not hesitate to contact us if you are experiencing financial difficulties; we will do everything we can to support you.

### Half Term Activities

The forest school holiday sessions will be running again over the May half term. Usually, these are funded sessions for any child receiving free school meals. However, the May half term sessions are open for all children to attend. Please find below the brief details and links for each session which will give you some more information and for parents to book places. Also included is a link to the FaceBook page which has the most up to date information about the sessions and programmes that are running and also a link to the website page.
