Dear parents and carers,

Walk or Wheel to School

Well done to our Fevas who won our Walk or Wheel to School competition with an amazing 93% (25/27 pupils) of them achieving this on one day. The rest of the school did really well as well with an average of 72% of the pupils walking or wheeling to school. With the improving weather it would be great if we could keep this up as it is a great way to start the day for the pupils. The exercise helps children to be more focused in school.

Poster for Peace Art Competition

Well done to one of our Wayfarers (Y4) pupil who won the Southbourne Lions 'Poster for Peace' competition. We are going to spend the £50 cash prize on art resources for our outside art area for the children to enjoy during lunch times. The pupil also won a personal voucher to buy their own art equipment from Hobby Craft to which was fantastic.

Swimming Gala

Well done to all of the children who represented the school at the swimming gala. We were competing very well until unfortunately a child from another school was ill in the pool! So they decided to stop the event there, even though some of not all of the children had not swum their races yet. When they added up all of the results we were announced as the winners which was fantastic news.

Good news

I am also really pleased to announce the good news that Mrs Wales is expecting a baby in September. She has shown impeccable timing as she will be able to support her class through the rest of this academic year.

REMINDER

Change of School Hours

As you may be aware that the Government has published a mandatory change for schools to ensure they deliver 32.5 hours of education to pupils as a minimum expectation. This has to be undertaken by September 2023 so next term we will be moving our school times to come in line with this. Following our parent consultation that finished on the 9th February, it was clear the earlier start was the most preferred option.

My preferred school hours are
26 responses

● 08:45 - 15:15 (gate open 08:30)
● 08:55 - 15:25 (gate open 08:40)

This means we will be opening our gates at 08:30 every morning instead of 08:40 and register will close at 08:45. The finish time for all pupils will be 15:15 with our gates opening at 15:10 every day. We will be

using the extra time in school to work on key mathematical and grammatical areas of need as well as undertaking spaced learning ('spaced practice') to embed key facts, concepts and information from across the curriculum. <https://www.tes.com/magazine/tes-explains/what-spaced-learning>
